Swim Consent::

The sport of rowing poses significant risks to the participant because most activities occur in, on, or around water. These risks include but are not limited to expected and unexpected immersion into cold water as a result of a boat flipping, collisions with other boats, being involuntarily removed from a boat as a result of an oar's momentum ("crabbing"), falling off docks, authorized and unauthorized swimming, changing weather conditions, or other occurrences. I certify that I am a competent swimmer and can perform the following competently while wearing typical rowing clothing: a) 50 yards continuous swim, any stroke; 10 min. continuous tread water; and, c) Put on and secure a life jacket during the last two minutes of treading water. I further certify that cold weather conditions can quickly impede my swimming ability and will follow Harriton HS Crew/ Harriton Boat Club recommendations with regard to cold water safety precautions. As a Parent/Guardian of a Child Under 18 Years of Age, I certify that my child is a competent swimmer and can perform the above following competently while wearing typical rowing clothing.
